INDIANAPOLIS – Lawmakers representing areas in and around St. Joseph County have received a series of assignments to serve on study committees in the interim between sessions of the Indiana General Assembly.

"These committees serve as the starting point for studying the issues that form the agenda of a legislative session," said Indiana House Democrat Leader B. Patrick Bauer from South Bend, who will continue to serve on the Legislative Council in the interim. "I am pleased we will be able to use the diverse expertise provided by our local delegation to enact sound public policy for the people of this state."

Here are other assignments for area lawmakers:
